

Questionnaire about your Health Condition

Please answer the below questions about your today's health condition.

If even one of your answers is "yes", you cannot take a checkup.
(When all your answers are "no", you can take the checkup.)

1	Is your body temperature above 37.5°C ?
2	Do you feel strong fatigue ?
3	Do you have a cough ?
4	Do you have a sore throat ?
5	Do you have a difficulty in breathing ?
6	Do you have a taste disorder ?
7	Do you have a smell disorder ?
8	Have you had close contact with those infected with COVID-19 in 7days ?
9	Have you been abroad or to other areas where the infection is spreading ?
10	Do you have a housemate corresponding to the above 1-9 ?

If you have a chronic disease, please have a consultation with your doctor before taking medical checkup.
